On the city's eastern border,
Reared against the sky,

A black and white photograph of Marion High School. The top half of the image shows the upper portion of the brick building with several large, multi-paned windows. Below this, the words "MARION HIGH SCHOOL" are printed in large, bold, sans-serif capital letters across the width of the page. The bottom half of the image shows the entrance of the school, which features three dark doors set within a light-colored concrete frame. The brickwork of the building is visible on either side of the entrance.

M.H.S. students pose intelligently.

Our well-known S.V.V.'s liven up the M.H.S. scene with scavenger hunts and various other "escapades."

The 2-year old bowling teams proudly displays the trophy won in 1962 by the boys' team.

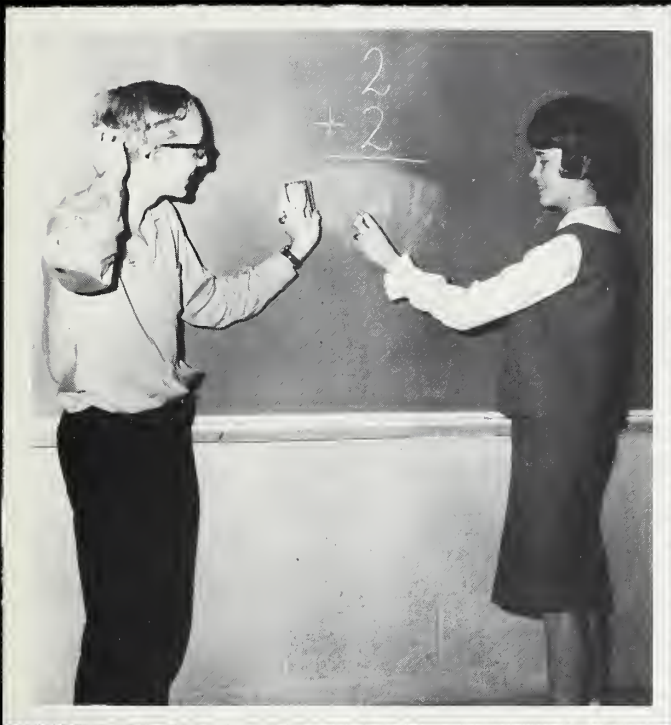

One of M.H.S.'s greatest days in 1962 was the day we were honored with a visit from Governor Terry Sanford. Governor Sanford spoke to students from all over the county. His speech told of the importance of an education in this changing world of today. In this picture Student Body President, Tommy Cline, gives the response to Governor Sanford's speech.

Here are several scenes of the governor's visit. Students and officials pay close attention to the governor's speech. Governor Sanford talks with M.H.S. students, R. J. England, and wishes him continued success in getting an education. The M.H.S. Band livened-up the assembly with marches before the program.

1962 was a very important year for the M. H. S. Band. For the first time in its history, the band entered the highest level of music at the State Contest in Greensboro and the result was that the band played a "Superior" performance. This "Superior" rating at Greensboro is the highest honor any

High School Band . . .

band in the state could have.

The band did not stop here. It went on to the Southeastern Marching Festival and also rated "Division I" in Bristol. The band had entered "Class A" in the contest which is also the hardest competition group.

Band president DEAN RYMER and the band council proudly admire the trophy won in Bristol by the band. The council members are: (sitting) CHRISTINE LITTLE and SUSAN GOURLEY, Librarians; standing are: HELEN McBEE, Head Majorette; JIM SEGARS, Quartermaster; JANE GOLDSMITH, Dec. Chairman; JIM POORE, Treasurer.

and our devoted Faculty

The faculty at M. H. S. is certainly one of which any school could be proud. Each teacher carries a heavy load of classes besides being our friend and counselor.

The subjects taught at M. H. S. are varied so that one can be prepared for college or have vocational training in several fields for jobs they may wish to take after high school.

We wish to thank the devoted faculty at M. H. S. for their

patience, understanding, and consideration. They never cease to try to help us and guide us through our high school life. Only with their thoughtfulness and other understanding qualities can we hope to succeed as high school students.

THANK YOU—You're the greatest!

The electric heat pump provides year-'round comfort!

The flameless electric heat pump cools and heats to provide your home with a delightful climate every day of the year . . . keeping you comfortably cool in summer and cozy warm in winter. The electric heat pump filters the air, removing pollen and lessening allergy discomforts.

Talk to your Duke Power Residential or Commercial Representative. Though Duke Power neither sells nor installs electric heating and cooling systems, we will give you helpful information.

Dedication . . .

We, the editors of your 1963 HYLANDER, have tried to portray the emotions of a student through four of the most important years of his life.

With this thought in mind, we dedicate this annual to you...the student body of Marion High School 1962-63.
